I, _____, agree to be a foster parent and care for a cat or cats belonging to Purebred Cat Breed Rescue under the following conditions:

I understand that the officers of Purebred Cat Breed Rescue, hereafter referred to as Purebred Cat Breed Rescue or PCBR, retain legal ownership of said cat(s) while it is in my care.

I agree to isolate any incoming cat, including this cat, from all other cats not arriving with this cat for a minimum period of 6 weeks or longer, depending on the results of veterinary checks. I understand the need for isolation to protect my own cats and other cats and I do have the ability to isolate this cat from all others.

I understand that Purebred Cat Breed Rescue holds final authority over all decisions concerning this cat including medical treatment, foster home placement, euthanasia, and adoption. I agree to respect any decision that Purebred Cat Breed Rescue makes concerning this cat and to help execute these decisions when I am asked and able to do so.

I agree to be responsible for all veterinary costs while the cat is in my care. I understand that only FIV/FELV testing and spay/neuter will be covered by Purebred Cat Breed Rescue.

I agree to provide appropriate, high quality food and water for this cat in a healthy and sanitary manner. I will ensure that this cat has access to these things at all appropriate times.

I agree to provide a litter box with cat litter. I will scoop daily, and regularly clean and disinfect this litter box, to maintain a healthy environment with minimal odor. I also agree to clean any litter box materials (litter, urine, etc) in a timely fashion should these materials appear outside the box.

I agree to treat this cat in a kind and respectful manner, encouraging good behavior and confidence in order to create a more well-adjusted, adoptable cat.

I agree to comb this cat and clean the eyes daily. I will wash this cat every 7-10 days except when medically contraindicated or unless a different schedule of bathing is approved by Purebred Cat Breed Rescue.

I agree to maintain a healthy level of cleanliness for this cat and his surroundings.

I agree to make myself reasonably available to prospective adoptive parents for this cat. I agree to set up times for prospective adopters to meet this cat when they call expressing interest. I agree to discuss this cat with prospective adopters in a very honest and forthright manner. I agree that Purebred Cat Breed Rescue will have the final say in all placement arrangements and I may not place a cat without their approval.

I understand that while Purebred Cat Breed Rescue may make recommendations concerning how to deal with this cat on a daily basis, including quarantine, training, etc, these things are under my control and not their direct control. I therefore take full responsibility for any damage this cat does to my living area, pets, belongings, or myself with the understanding that these things occurred because I did not properly protect my living space, pets, belongings, or myself from this cat.

I understand that negligence of any kind regarding this cat, particularly negligence which results in injury to this cat will be dealt with on an individual basis. I will comply with any decision Purebred Cat Breed Rescue makes concerning negligence, whether it be removal of this cat from my care, or asking me to pay for all or some veterinary fees incurred, or refusing to allow me to foster any more Purebred Cat Breed Rescue cats, or any combination thereof.

I agree to notify Purebred Cat Breed Rescue immediately of *any kind* of problem concerning this cat that arises.

I understand that Purebred Cat Breed Rescue does not condone the keeping of cats in dormitories or other places where cats are not permitted and I take full responsibility for any decisions I make in this regard.

I agree to administer proper medications, etc, as prescribed by this cat's veterinarian. I agree to abide by any other recommendations made by this cat's veterinarian or by Purebred Cat Breed Rescue concerning medical issues.

I understand that I may not be reimbursed for expenses such as food, litter, and veterinary bills for this cat, and that I am not guaranteed reimbursement for any expenses that are not first discussed with Purebred Cat Breed Rescue.

I agree to communicate regularly with Purebred Cat Breed Rescue concerning this cat. I agree to notify Purebred Cat Breed Rescue if I am planning for a vacation or move at least three weeks in advance so that they can decide what to do with this cat at that time.

I certify that by taking this cat, my family and I will not be in violation of any local legislation or numbers limits.

I certify the above to be true and complete to the best of my knowledge.

This agreement shall be interpreted under the laws of the State of Minnesota. The federal or state courts located in Minnesota shall have jurisdiction to hear any dispute under this Agreement, and Adopters hereby submit to personal jurisdiction by said courts. The parties agree that money damages may be both difficult to ascertain and insufficient to compensate a party aggrieved by a breach of this agreement, and that an aggrieved party may therefore be entitled to injunctive or mandatory relief. In the event of legal action to enforce any provision of this agreement, the prevailing party shall be entitled to recover reasonable attorneys fees and costs incurred therein
